

COMES NOW, the Plaintiff Michael DeLong and pursuant to FRCP 6(b)(1)(B) and LCvR7.1(h) respectfully moves the Court for an order extending the deadline for her to file her Response to the Defendants' Motion for Attorney's Fees and Cost. The Defendants filed two (2) motions for attorney's fees and costs between this case and the companion case 5:14-CV-01439. Plaintiff docketed his due date as June 29, 2015 based upon LCvR7.1(g) which gives a party 21 days to file a response to a motion. Upon review of the Local Federal Rules, Plaintiff determined that he had incorrectly docketed the deadline for the response to the motion. Pursuant to L.CvR 54.2, Objections to Motions for Attorney's Fees are due within 14 days of the filing of the Motion which made Plaintiff's Response due on June 22, 2015. Plaintiff requests until July 10, 2015 to file his responsive brief due to the need to respond to multiple motions and other scheduling deadlines. Additionally, the parties have broached settlement discussions and the extension will give each side time to consider all options.

The Defendants have no objection to the extension of the deadlines requested by the Plaintiff. No scheduling order deadlines have been entered in this case; therefore the extension will not impact any existing deadlines.

WHEREFORE, the Plaintiff Michael DeLong respectfully requests that the Court extend his deadline to Respond to the Motions to Dismiss from June 22, 2015 to July 10, 2015.

Respectfully submitted,

s/Rachel Bussett
